7 DAYS ADVERTISEMENT FOR FORMAL WRITTEN PRICE QUOTATION (FWPQ)

FWPQ 52 (2026/2027) REMOVAL OF EXISTING WATER METERS AND INSTALLATION OF NEW WATER METERS (LABOUR ONLY) IN MARQUARD.

ITEM DESCRIPTION	QTY
1. Removal and Installation of Water Meters (Labour only)	152
2. Scope of Work: Please ensure that the following requirements are adhered to: 1. Old meter reading and meter number: The final reading and meter number of the old meter must be recorded. If the reading cannot be obtained through the glass, the glass will have to be broken to obtain the reading. 2. Photographic evidence – old meter: A clear photograph of the old meter, showing the meter number and final reading, must be taken before removal. This evidence is important for future reference and must be submitted together with the completed installation form before payment is processed. 3. Photographic evidence – new meter: A clear photograph of the newly installed meter, showing the meter number and initial reading, must be taken. This photograph must also be submitted together with the completed installation form before payment is processed. 4. Location of meters: Meters currently situated inside erven must be relocated to the sidewalk outside the erf, where practical and in accordance with the requirements of Water Services. 5. Installation level: All meters must be installed at ground level. Where existing meter installations are too deep, the pipes must be raised to bring the meter to the required ground level. 6. Water Services sign-off: Water Services must inspect and sign off each installed meter for quality control purposes. The meters form part of the Water Services distribution network, and Water Services must therefore be aware of the location and installation of every meter. 7. Removed meters: Please liaise with Water Services regarding the required procedure for the storage, return or disposal of removed meters. 8. Installation Information: The completed installation information, as per the prescribed form, must be submitted to the Revenue Division in batches of no more than 50 meters installed. This will ensure that the information is captured and updated on the system timeously. 9. Final Verification: The completed installation form, owner's confirmation and required photographic evidence must be submitted for verification before any payment is made to the installer.
